GROWER ASSISTANT & INTERN POSITIONS

The Freckled Flower Farm is looking for new members to join our team! We are a flower farm and florist, growing flowers for arrangements, weddings, and farmers markets. We need an energetic, hard-working person to assist our flower farm in daily tasks on a part-time basis from March through December.

An excellent teammate:

- Is positive, observant, and a quick learner
- Is dependable, proactive, and able to work independently
- Enjoys working outside in all types of weather and willing to get dirty
- Understands the importance of time management, working fast and efficiently on a variety of tasks
- Enjoys working with their hands and able to lift heavy objects
- Is willing to be on their feet for extended periods of time
- Is able to carry out repetitive tasks
- Is enthusiastic about the local flower movement and growing naturally
- Is willing to learn our arranging techniques to create bouquets as needed
- Is able to commit for the entire season (March-December)
- Has farm/growing/florist experience (preferred, but not required)
- Is available to work a few Saturday mornings helping set up weddings or sell at the farmer's market (a plus, but not required)

GROWERS ASSISTANT

Duties include:

- Understanding the daily/weekly task list and organizing a plan to complete the tasks
- Leading, working with, and encouraging the Grower Intern on daily tasks
- Working with the Grower Intern to complete soil preparation, harvesting blooms, fertilizing, clearing out finished plants/rows, sowing, transplanting, and weeding.
- Use hand tools, small equipment and machinery as needed
- Carry out farm maintenance tasks and other duties as assigned

This position is a part-time position approximately 15-25 morning hours a week. Pay based on experience ranging from \$12-15/hr. Position growth potential in wage and hours.

GROWER INTERN

Duties Include:

- Working with and taking direction from the Grower Assistant for carrying out farm maintenance tasks and other duties as assigned
- Tasks and duties include but are not limited to the following: soil preparation, harvesting blooms, fertilizing, clearing out finished plants/rows, sowing, transplanting, weeding, and washing buckets

This position is a part-time position approximately 10-15 morning hours a week. Pay based on experience ranging from \$10-12/hr.
